

PRELIMINARY AMENDMENT
New U.S. National Stage Entry of PCT/JP2005/000676

AMENDMENTS TO THE SPECIFICATION

Amend the specification by adding before the first line the sentence:

This application claims priority from PCT Application No. PCT/JP2005/000676 filed January 20, 2005, and from Japanese Patent Application No. 2004-014867 filed January 22, 2004, which applications are incorporated herein by reference.
